

## *Florida Harpers and Friends - Membership Information*

Florida Harpers and Friends is a chapter of the International Society of Folk Harpers and Craftsmen Inc. We'd like to take this opportunity to introduce ourselves to you and invite you to join our team.

We are excited about our chapter in Florida. Florida Harpers and Friends is an entire state strong and we are able to continue with our workshop programs, a scholarship program, satellite workshops in individual areas, quarterly newsletter, our own egroup and FHF official website. Please take the time to look at our web site ([www.florida.harpers.org](http://www.florida.harpers.org)) for upcoming events. We sincerely hope you will renew your membership.
